Hi Mark,

I just want you and your crew to know how much I like my new patio. I feel like I can breathe again. I can't believe how fast you got this done. While I wasn't home to see the tree come down my neighbor shared "they really knew what they were doing." The color of the paving stones really adds to the patio. All I can do is say thank you, thank you, thank you for the great work you did, in the short amount of time it took you to complete it so I could enjoy it. My family can't believe it is the same space. WOW what a difference. I will keep your name and number handy as I will gladly recommend you to others.

Thanks again Mark,

Glori Schneider
